TSUD EMPLOYS DEAN FOR SCHOOL OF BUSINESS

Dr. Thomas Harrison is pleased to announce the appointment of Dr. Steven J. Cross as Dean of the School of Business for Troy State University at Dothan.

Dr. Cross comes to TSUD from Delta State University in Cleveland, Mississippi, where he served as Chairman and Professor for the Division of Economics and Finance since 1988. He joined the faculty at Delta State in 1985 as Associate Professor of Finance. Prior to his association with Delta State, he was a faculty member at Motlow State Community College and Dyersburg State Community College.

Dr. Cross received a B.S. degree in management with an economics minor; a Master of Arts in Teaching degree with a major in economics and minor in education; and a Doctor of Arts degree with a major in economics and second field in finance. He earned all of his degrees at Middle Tennessee State University in Murfreesboro, Tennessee.

Dr. Cross has published several articles in professional journals in economics and finance. He is a member of a number of professional associations including the American Economic Association, American Finance Association, National Association of Business Economists, and the Financial Management Association. He has been recognized by such organizations as the "Outstanding Young Men of America" and is listed in "Who's Who in the World"

and "Who's Who in American Education."

Born and raised in a small community near Nashville, Tennessee, Dr. Cross has always lived and worked in the Southeast. "One of the happiest days of my life was when I was contacted by TSUD and was offered the position of dean," stated Cross.

Familiar with the Southeast, Cross was immediately satisfied with Dothan and the Wiregrass region. He believes Dothan's most positive attributes are its location, its size, and its people. "Everyone at TSUD has been very friendly and made me feel that this is a nice place to live and work. The new campus is tremendously impressive," Cross added.

Concerning future plans for TSUD's School of Business, Dr. Cross said that his short-range plans would be to familiarize himself with every aspect of the School of Business. Then, and only then, would he be able to make any recommendations.

Dr. Cross said that becoming dean will give him the opportunity to have a positive influence on the School of Business. "The environment created in the school is critical to success. I will strive to create an environment in which each faculty member and each student may be as effective and efficient as possible, to be the best that they can be."

This fall Dr. Cross will begin the twelfth year of his college/university profession. "I have never doubted my decision to become a college professor. The best feeling in the world is to enjoy going to your job every day."

TSUD TO OFFER INTERIM SESSIONS FOR FALL AND WINTER QUARTERS

Realizing the needs of its non-traditional student population, Troy State University at Dothan and its branch campus at Fort Rucker will be offering an interim session of classes August 19 - September 9, 1991. The three-week period of course offerings will provide another scheduling option for TSUD students.

The 1991 Fall Interim Session will offer day and evening classes at the Dothan campus and evening classes at the Fort Rucker branch campus.

To further benefit TSUD students, a winter interim session will be held December 2 - 18, 1991. "The University has planned these two interim sessions to allow our non-traditional students greater access to course offerings. This increased accessibility should enable our students the opportunity to complete programs of study in a reasonable amount of time while they continue to be involved in family and vocational responsibilities," stated Dr. Thomas Harrison. Dr. Harrison added that students will benefit from the addition of the interim sessions. "We hope students will see the advantage in continuous enrollment so their education may provide early benefits to them," added Dr. Harrison.

Dr. Debbie Goodman feels that students will appreciate the scheduling options and the opportunity to utilize their time more effectively and efficiently. "We look forward to serving students in our service area with expanded scheduling options. We

feel that these two interim sessions will enable our students to fully utilize their time," stated Dr. Goodman.

The 1991 Fall Interim Session and the 1991 Winter Interim Session schedule will be available in the 1991 Fall Quarter Schedule of Classes. Students may register for the fall interim session during the advisement and pre-registration period for fall quarter, which is July 29 - August 1 and August 5 - 8.

DR. DEBRA ANN KING JOINS FACULTY AT TSUD

The School of Education at Troy State University at Dothan welcomes Dr. Debra Ann King as Assistant Professor of Elementary Education. Dr. King comes to TSUD with outstanding teaching credentials in elementary education.

After completing her bachelor's degree from Troy State University, Dr. King taught first grade for two years at Abbeville Primary School in the Henry County School System. She later moved to Dothan and taught in the Dothan City School System for seven years.

Dr. King was "stolen" from the teaching profession for a period of time after her son, Collin, entered her life. After the birth of her son and the completion of her master's degree, she finished her dissertation and received her doctorate from Auburn University in 1986.

Dr. King, who has a tremendous love for teaching, soon felt the tug to teach again. Fortunately, last August, Dr. King found a new home at TSUD. Beginning the 1991 Fall Quarter, she will become a full-time faculty member in the School of Education.

Dr. King and her family reside in Dothan.

TSUD AND FOX 34 JOIN FORCES

With the assistance of FOX 34/WDAU-TV in Ozark, Troy State University at Dothan will be able to double the number of telecourses available to students for each quarter of the new academic year. The availability of time on FOX 34 enables TSUD to offer a total of five or six telecourses each quarter.

Telecourses combine televised lessons, related texts, readings, and assignments with on-campus orientation, study sessions, and examinations. Each telecourse is equivalent to its on-campus counterpart, with the same credits earned.

The three courses which will air this fall on FOX 34/WDAU-TV include: "Business Law I" (LAW 322T), "American National Government" (POL 241T), and "Earth Science" (SCI 234T). Additionally, two courses which will air this fall on Alabama Public Television (APT) include: "General Psychology" (PSY 200T) and "Anthropology" (SOC 200T).

CHARLES WOODS ANNOUNCES PURCHASE OF HOUSTON HOTEL

After being on the market for over a year, the Houston Hotel, formerly the downtown location of Troy State University at Dothan, has been sold to Mr. Charles Woods, president of Scarlet Nayereh Building, Inc. The sale of Houston Hall also includes parking areas in the immediate vicinity of the building.

The sale of Houston Hall will be finalized on August 1, 1991, as Mr. Woods officially announces the purchase at a luncheon in honor of the occasion. TSUD accepted the \$200,000 offer from Woods in April of this year. The following four-month process included approval from the Troy State University Board of Trustees, preparation of a resolution by the board to be sent to the governor, and review and approval from Governor Hunt. Dr. Harrison said, "I am very pleased that the building will have a new use and that the downtown area will have a new owner, who through renovation and improvement of the building will bring a new vitality and new life to the downtown area."

The eight-story hotel building will be named the Scarlet Woods Building.

MINOR MODIFICATIONS MADE IN "OWLS" PROGRAM

Faculty and staff should make note of the minor changes made to

the "OWLS" program for the 1991-92 academic year. Please refer to the 1991 Fall Quarter Schedule of Classes for the following statements. (1) Transient, post-baccalaureate, post-master's, and graduate special admission students are not eligible for OWLS. (2) Funding for the OWLS program is limited. Therefore, all qualified applications may not be approved. Applications will be accepted on a first-come, first-served basis.

The deadline for applying for the OWLS program for Fall Quarter 1991 is September 4, 1991.

SUMMER SIZZLER '91 IS COMING

The Student Government Association, Student Support Services, and Student Activities will be hosting "Summer Sizzler '91" on Thursday, August 8. This event will take place in the shaded area in front of Malone Hall. Hot dogs, chips, ice cream, and coke will be served. WDJR-FM and WKMX-FM radio will be on the campus to provide entertainment and to promote the event. Don't miss the fun!

SUMMER QUARTER 1991 COMMENCEMENT CEREMONY

TSUD will hold its 1991 Summer Commencement Ceremony on Friday, August 16, 1991, 10:00 a.m. at the Dothan Civic Center. Faculty may pick up their gowns at the University Bookstore in Adams Hall through 5:20 p.m. on Wednesday, August 14. Contact Pat Reeves for more information.

A reception will be held prior to the ceremony from 8:30 - 9:30 a.m. on the third floor of the Civic Center (Museum Level). All TSUD faculty, staff, and their families are invited to attend. A special seating area will be reserved for TSUD staff members for the commencement ceremony.

Dr. Joseph Talmadge, President, Enterprise State Junior College, is scheduled to be the commencement speaker.

TROJAN FOOTBALL 1991

Anyone interested in purchasing season tickets for Troy State Univer-

sity Trojan football can pick up an order form from Tony Whetstone in the University Relations Office, Malone 116-E. Refer to the football schedule in this issue of LOGOS for all home games.

BUDGET CUTS CAUSING STATE TUITIONS TO RISE

State budget cuts for higher education will increase state college and university tuitions by an average of 10.1 percent this fall, a survey by the American Association of State Colleges and Universities (AASCU) has found. AASCU President Allan W. Ostar blamed the states' grim financial picture on a number of factors, including cutbacks in federal support, tax limitations enacted by some states, and the growing focus on elementary and secondary education encouraged by President Bush's America 2000 plan. Predictions for 1992 are much the same.

Representatives of the National Education Association, American Federation of Teachers, and American Association of University Professors issued a joint statement urging an increase in federal spending on postsecondary education. The statement notes that federal support for higher education has declined 24.3 percent in the past 10 years after accounting for inflation. (Higher Education & National Affairs, American Council on Education, July 1, 1991).

University Deli

Hello friends! What a great summer! Everything outside looks beautiful, especially from the Deli windows. Come in and join us for

lunch. For the month of August, the Deli will offer a FREE side-salad with any Sub order. We plan to provide a copy of our "Daily Menu Specials" to each department for advance notice of our specials. This will be rotated every two weeks. Special items will be new non-menu choices. This will offer a little variety but will leave the main menu in effect. We appreciate all the feedback and especially your patronage.

FROM THE TSUD FAMILY

Thank you for the pretty red carnation spray and especially for the thoughts at such a sad time in our lives.

Edd and Elizabeth Hill

Glen Hill's parents

Thank you so much for the beautiful yellow mums that you sent me in the hospital. It was so nice to wake up to a room full of beautiful flowers. Your cards and flowers meant a lot to me. Please keep me in your prayers. I am doing well.

Sonja Woodham

The family of A.J. Brannon acknowledge with grateful appreciation your kind expression of sympathy. The flowers you sent were beautiful. Your thoughtfulness is greatly appreciated.

Becky Yarbrough

& The Brannon Family

I just want to express my appreciation for the lovely gifts I received from you. The flowered wreath looks just lovely in my home and the comb and brush set you gave me for Derick is just beautiful. It was something I had not received. Thank you for remembering me during this special time in my life.

1991 TROY STATE FOOTBALL

Troy State begins a new era in sports this fall as first-year head coach Larry Blakeney takes over the reins of the football program and the school enters the first year of a two-year compliance period prior to reclassifying the athletic program to NCAA Division I/I-AA. The Trojan football team will increase its scholarship total from the NCAA Division II minimum of 40 to 55 in 1991, and will increase to the full I-AA complement of 63 in 1992. In the meantime, the TSU football team will not be eligible for post season competition until its first season of full-fledged Division I/I-AA membership in 1993.

The first scrimmage is slated for Saturday, August 17 with the season opening August 31 against the University of Central Florida Knights in the Florida Citrus Bowl in Orlando, FL at 7:00 p.m.
